Dear Bill,

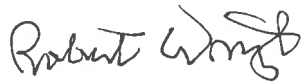

It gives me a great deal of pleasure to add my recommendation to the forthcoming promotion of Stacy Alley.

I have been associated with Stacy for the last twelve years through her participation in the Theatre & Dance Department SummerTide productions. First as an actress in the initial show, and more recently during the last three years as she assumed the role of Program Director. It has been enjoyable for me to witness Stacy's growth in her professional career. The degree of professionalism she maintains in her relationship with the student actors is evident in the quality of the productions in which she is involved. I have also had the opportunity to have been in the audiences of her more recent Theatre & Dance productions of Chicago, Urinetown, 42nd Street, etc. The success of all these shows is again evidence of Stacy's extraordinary creative abilities.

Although I have no professional theatrical teaching experience, I can only assume that Stacy's expertise transcends to her classroom. By witnessing her interactions with her actors on stage, I feel confident that the respect given her is duplicated in the classroom.

Again it is my honor to be among those who support Stacy Alley's promotion.

Sincerely,

Robert Wright
